North West Innovation Competition Winners announced

The winners of the first-ever North West Innovation Competition were announced during the formal prize giving function held at Cookes Lake, Mahikeng on 8 February 2017.

Khupari Mpona (Debrak), Morebodi Kaotsane (Taung) and Prince Nkoe (Mogwase) were crowned as the top three innovative minds in the province.

It has been an inspirational journey, which now continues with the development of the top ideas received.

NWDC seeks interested investors to establish a manufacturing plant of agro-processing machinery in the North West for local, regional and export markets. A market study commissioned by the province identified a gap in supplying such equipment to small and medium-sized farming operations.

Interested parties must demonstrate capacity to set up the facility from scratch. Click through to the NWDC
