## BADIVINE CREATIONS

BaDivine Creations is a manufacturing company that is 100% owned by three young Africans, Ms Keitumetse Radiile, Ms Boitumelo Lesetedi and Mr Tumelo Mosala.

The three owners are very passionate about jewellery fabrication, arts & crafts and the fashion industry. The company is based in Rustenburg at the Visitor's Information Centre (cnr of Nelson Mandela Street and Kloof road).

BaDivine Creations designs corporate gifts, rings, pendants, chains, bangles, bracelets, cufflinks, tie pins, brooches and belt buckles; and what is more they also create customised cutlery, fashion jewellery and other related crafts.

Tumelo Mosala who has nine years of experience in the industry, says everyone in the company has special skills and talents that help the company to succeed within the space of fashion and crafts. The company has a large range of quality jewellery which is made from platinum, gold and silver. Their products are a merge of African and western styles. Its mission is to be well-known for reliability, excellence and special manufacturing processes and techniques. Their vision is to create an edge for their clients.

BaDivine Creation members pictured at their exhibition stall at the 2016 Botswana Global Expo, made possible by the NWDC.

On behalf of BaDivine Creations, Keitumetse Radiile thanked NWDC for exposing their company to different markets within the country and abroad. She said that NWDC has assisted their company with market penetration strategies as well as entrepreneurial development programmes.

“We managed to attend a number of important expos in the country and abroad through the co-operation interventions, where NWDC provide us with accommodation, transport and exhibition stalls. These expos included the Botswana Global Expo in Gaborone and the China Trader Expo in Johannesburg” she said.
