

SMME FEATURE: African Furnitures

African Furnitures is a tenant of the NWDC in Mogwase

African Furnitures is a proudly North West furniture manufacturer that specialises in manufacturing beds, couches, sofas and ottomans. African Furnitures also offers repairs and upholstering of beds and sofas.

The company's owner has been in the business of furniture manufacturing since 2004.

DIRECT JOBS: 2

OCCUPIES RENTAL SPACE OF 220 M²

Situated in Stand 11 of the Bodirelo Industrial area in Mogwase, African Furnitures crafts quality products for the living room and bedroom. Their mission is to grow a data base of satisfied clients and to become better known in the industry.

Owner-carpenter Armando Matsinhe has been in the industry for fourteen years, initially acquiring the skills of carpentry and upholstery from his German mentor when he first settled in Boitekong in 2004.

Today Armando is a master craftsman and his range of furniture includes ottomans, sofas, coaches, occasional chairs as well as queen and double beds. Armando also does house calls for clients in the region whose existing furniture are in need of repairs or reupholstering.

African Furnitures operates on the principles of customer service, quality and value for money .
