

Invitation to apply to the

NORTH WEST GROWTH ACCELERATOR PROGRAMME

Bokone Bophirima “serious about enterprise development”

The NORTH WEST GROWTH ACCELERATOR PROGRAMME (NW-GAP) is a new type of SME support and development programme that is in line with the latest international research and best practice in enterprise development.

It aims to identify and support up to 60 SMEs with a powerful blend of specialist advice, business opportunities, technology support, networking and business skills.

To be in the “NW-GAP” will mean you are a recognised high-potential business that is poised for growth, and that you have made it through a stringent evaluation process, one of new generation of successful SMEs helping to build the province’s economy, create wealth and employment, and inspire other entrepreneurs.

HOW TO APPLY:

Application forms are available at the nearest NWDC offices and webpage - www.nwdc.co.za. They can also be accessed from municipal LED offices. All completed forms with an attached business registration certificate and business profile must be returned to these offices or be emailed to admin@nwgap.org.za on or before the 05th of April 2019.

Qualifying entities will be those with turnover of between R250 000 and R1 million. Priority (40 SMEs) will be given to SMEs operating in the key sectors prioritized by the province (Agriculture, Manufacturing, Culture and Tourism). The remaining 20 SMEs could be from any sector of the economy.

All enquiries can be directed to :
