

SMME FEATURE: 705 MEDIA (PTY) LTD

705 Media is a company that was established in 2017 by Mr Lesego Morake, a young entrepreneur born from a rural village. His aim is to offer high quality services to organisations whether they are big or small.

Mr Morake, also known as Dj Les, has a passion for entertainment and media, and he has been in the industry for over ten years.

Mr Morake possesses years of experience in the media and entertainment industry in the various capacities as Dj Les, MC, Stage Manager, Radio personality and more.

The future of 705 media depends on their ability to provide customers with services that consistently meet or exceed their expectations. 705 Media's team is committed in providing service of a high standard to its customers.

705 Media's core functions include:

- PA Systems
- Visuals
- Catering and décor

705 Media can assist with the planning and implementation of a range of functions and social events.

SMME Profile

Featuring our tenants & proudly North West enterprises

VISION:

To be a market driven company that is a preferred service provider in the events management and entertainment industry within its area of operation (Rustenburg) and beyond.

MISSION:

705 Media's mission it to provide their clients with the most amazing sound entertainment and an amazing event which will be memorable.

They offer integrated event execution with passion and excellence on time and within budget.

Lesego Morake, aka DJ Les

GOALS & OBJECTIVES:
