Karibu Welding and Fabrication

Karibu Welding and Fabrication Pty Ltd was established in 2015 and registered in June 2018. The company is owned by a qualified welding artisan Keamogetswe Pascal Milanzi from Mothotlung, who started the company while he was still in college. He did his practical at Bra Billy's who motivated him to open his own company. Keamogetswe doesn't use NCN machines but uses his own hands to manufacture his products.

Karibu Welding and Fabrication Pty Ltd offers services such as:

- Welding equipment for the automotive, fabrication, pipeline and structural industries
- Manufacture and installation of aluminium, windows, doors, garage doors, frames and after-market support,
- Maintenance, repair, overhaul and after-market support for construction, mining and lifting equipment
- Maintenance of construction equipment, mechanical plant and abnormal transportation.
- Repair, maintenance and after-market support of power generator solutions.

The products offered by Karibu Welding & Fabrication are made from mild steel, stainless steel and aluminium steel.

They also specialise in:

- Palisade fencing
- Balconies and Stairways
- Security Gates and Burglars
- Camping Stoves and Rocket Stoves
- Braai stands and Fireplaces
- Steel Tables and Chairs
- Aluminium Windows and Doors
- Steel Gates
- Carports

The company is targeting the markets of:

- Mines
- Manufacturing Companies
- Construction companies
- Power Stations
- Petroleum Pipelines
- Government Departments
- Lodges and Resorts
- Individuals

Karibu Welding and Fabrications recognises the power of diversity and joint project execution, therefore the company continuously seeks to establish strategic partnerships with the experienced, knowledgeable and best practice organisations within the Industries through strategic MOUs.
