Christiana Resort to host Cancer Awareness Day and Fun Run this November

Did you know that there are more than a hundred types of cancer? Cancer growth can occur in almost any part of the human body. Some cancer types are more common, while others are rare.

On Saturday, 25 November 2017 the **Christiana All Seasons Resort** will host their first annual Cancer Awareness Day and Fun Run. The resort is situated 3 kilometres outside the town of Christiana on the N12.

The Cancer Awareness Day will consist of three main activities, namely a 3 kilometre fun run or walk for all ages, exhibitions with information sessions and a fundraising gala dinner.

The 3 kilometre Fun Run will start at the Christiana Hospital at 08:00 on the morning of 25 November and end at the Resort. Tickets for the Fun Run are priced at R100 for adults and R50 for children and can be obtained from either the Resort itself or bought at the starting point from 07:00 on the morning of the run.

Exhibitions and information sessions will be held throughout the day at the Resort (from 10:00 to 14:00) and shall be free of charge. Attendees will hear from different speakers who will be talking under the theme “Encouraging health, Encouraging life.” Companies and NGOs who offer products or services related to cancer or a healthy lifestyle are encouraged to contact Julia Saville at the Christiana All Seasons Resort for inclusion in the exhibitions and presentations.
