CHRISTIANA ALL SEASONS RESORT MEDIA RELEASE

18 April 2016

TOUR OPERATORS EXPERIENCE BRAND NEW CHRISTIANA ALL SEASONS RESORT FIRST-HAND

A group of invited tour operators and travel agents were treated to the full experience of the newly re-opened Christiana All Seasons Resort on 14 and 15 April 2016.

Since the resort and its adjacent game farm was purchased on auction by the North West Development Corporation in 2015, it has benefitted from extensive upgrades and maintenance, to such an extent that The Christiana All Seasons Resort is now open for business and taking bookings.

Apart from experiencing the luxury of its 46 upmarket, modern and spacious bedrooms, the group were treated to the full bush experience during a sunset game drive before sampling the cuisine of the resident chef during a four-course dinner served on the spacious outside terrace of the resort's restaurant.

The group was formally welcomed by NWDC Acting CEO Mr Lemogang Moletsane, who explained that Phase 1 of the upgrades to the resort had been completed; positioning the resort to host conferences, weddings and leisure travelers at the five available conferencing venues and sparkling outdoor pools. Phase 2 of the upgrades shall entail upgrading the caravan park so that camping activities may commence, as well as repairing the heated indoor pool and spa for which the resort had been famous in the past.

Feedback received from the tour operators was very positive, with all of them stating that they would recommend The Christiana All Seasons Resort to their clients.

The resort is situated on the N12 high way, just 3 kilometres outside of the town of Christiana, which makes it an ideal conferencing venue or stop-over choice for travelers en-route to Kimberley, the Northern Cape and Cape Town.

The Christiana All Seasons Resort has an operational website, through which booking enquiries can be made, which is www.casr.co.za. The Resort can be contacted directly on 061 463 3848 or by emailing bookings@casr.co.za
