## FORMAL BUSINESS FEATURE:

### *Black Rose Couture Designs*

Boipuso Mollwane sounds like an inspiring entrepreneur, driven by her passion for fashion and determined to make her mark in the industry. Her focus on custom-made clothes with hand-stitched details adds a unique touch to her brand, **Black Rose Couture Designs**. It's impressive to see her commitment to quality craftsmanship.

Facing challenges like load-shedding and limited marketing tools can undoubtedly be tough, but Boipuso's resilience and determination will surely help her overcome these obstacles. It's heartwarming to hear that she's already employing four permanent employees, showing her dedication to growing her business and creating opportunities.

Hosting Fashion shows and displaying her designs in malls are ambitious yet achievable short-term goals that will help increase brand visibility and attract new customers. With her attention to detail and artistic skills, Boipuso is well-equipped to succeed in the competitive world of fashion.

We are excited to see how Boipuso continues to grow and evolve her business, inspiring other independent women along the way.
