C. Grave location

- Because the graves are becoming big as many people pass away, a lot of people sometimes can't locate the graves when they visit the cemetery, PM can locate the grave and show how the grave can be accessed

D. Grave Relocation Services

- Moving a body from one cemetery to another used to be a rare occurrence, but nowadays, it is becoming more common. With our experience of more than 20 years we are able to assist you with relocation with ease. We handle everything for you from
- Oversee public notices, hearings, legalities prior to exhumations and relocation
- Exhume bodies from cemeteries and relocate as needed
- All services carried out with utmost dignity and respect for the deceased and their families
