Experiential Activations

Turn Refreshments Into a Brand Moment.

We transform familiar favourites into interactive, high-engagement experiences. Guests can pour, swirl, top, flavour, pose, play and share—making your brand part of a moment they genuinely enjoy.

From co-branded cups and campaign-inspired flavours to custom counters, carts, staff presentation, décor, photo moments and full activation environments, every touchpoint can be shaped around your identity.

Experience benefits:

- Attract and retain event foot traffic
- Increase guest participation and dwell time
- Create branded photo and social-media moments
- Add theatre and personality to hospitality service
- Deliver a memorable multi-sensory brand interaction

Perfect for:

Product launches | Exhibitions | Trade shows | Conferences | Corporate family days | Festivals
Shopping-centre activations | Sporting events

Trusted to Add Flavour, Energy and Flair.

From intimate celebrations to corporate environments and large-scale public events, Slush & Scoop creates guest experiences for organisations, agencies, venues, families and communities.

Proud to have created experiences for and alongside leading brands and event partners.
